DOXXING

Doxxing is when your personal information like your address, mobile number etc., are published online by others openly inviting online members to harass you using this information

Do not share your personal information like address, mobile number, personal mail id etc., online publicly/ openly

Save the evidence and the screen shots for referring to the incident later

Use VPN while using Internet for encrypting your data and protect your IP address

Use two factor authentication with strong and different passwords for different social media accounts

Programme by : Ministry of Electronics & Information Technology(MeitY), Govt. of India

Supported by : Ministry of Home Affairs (MHA), Govt. of India
